LOCATION

Cecilia Estate located 15 minutes from Corfu town and the airport.

It is rare to find a location so close to town with such a quiet, private surrounding, so close to the not yet discovered west coast with stunning beaches ranging from golden sandy, shores to pebbly coves, the paradise beaches, only reachable by boat and to have a lunch made by our chef.

Event & Wedding Venue

A photograph of an outdoor wedding reception at dusk. The scene is set on a terrace overlooking the ocean. In the foreground, several round tables are covered with white tablecloths and set with white chairs, glassware, and lit candles. The tables are arranged in a row, and the chairs are wooden with a cross-back design. The background features a calm sea under a twilight sky, with a small island visible on the left. A string of warm-toned spherical string lights hangs across the top of the frame, casting a soft glow. The overall atmosphere is romantic and serene.

Beyond words: the most magical wedding we could have ever dreamed of!
